

Jacobstow Primary School & Preschool

CARES about preparing our children for their place in the world of the future

Jacobstow
Bude
Cornwall EX23 0BR

25 May 2018

Dear Parents and Carers,

Please find attached a Privacy Notice drawn up as part of Jacobstow Primary School and Preschool's response to the General Data Protection Regulation (GDPR). This comes into force on May 25th, and which will become law in June 2018. It is our duty to demonstrate that we are working towards compliance with this new law over the next few months. This law is in response to the significant high profile data breaches there have been over the last few years and now applies to public and private organisations.

The Privacy Notice informs you of the reasons:

- why and how we keep data,
- how and why we share it,
- for our statutory duties
- parents rights around the data held

We also have a Policy for Data Protection which can be found on our school website, for your information.

Over the next few months, until the beginning of the new school year, we shall be updating our data collection sheet. You will be asked to give permission for us to hold and share certain data and to ensure that we have clear permission, from you, to hold some data. There will be no assumed consent.

GDPR is a very complex law but we have tried as much as we can to make our policy and privacy notice a straight forward as possible. However, if you have any queries or concerns about either then please don't hesitate to contact us at school.

Yours faithfully

Sue Russell
Head
