**READING** – Sorry to be a 'nagbag' but we cannot stress enough how important it is for your children to read EVERY DAY at home. Reading is the key to success in school and the practice they get at home makes all the difference to their success in not only English lesson but also in maths and all other subjects. Hearing your child read should start as soon as they start school and continue through to the end of year 6. Above all things it is the most helpful thing you can do with your child to help with their learning. Thank you

**ONLINE SAFETY** – We have become aware recently that some of our older children have access to mobile phones, tablets and other digital devices that are being used regularly to communicate with the friends. In principle this is not a problem however, we know that for some children it is becoming a problem as they are using platforms such as snapchat and Instagram which need very secure privacy settings. These ways of communicating make children very vulnerable to online abuse not only from unscrupulous adults but also from bullying by peers.

We have very good systems in place to raise children's awareness of these dangers in school and strictly monitor their online access. But, we have no power over their internet access out of school and we ask parents to be aware and monitor this for their children's safety and wellbeing

**HALLOWEEN STAY DAY** – Friday 2 November. Seasonal fancy dress all day followed by a stay and play until 5.30pm with games, dancing & refreshments £3.00 (£1.00 for those not staying). Sweets will be for sale in the after school session. **Please inform us via the dojo if your child is NOT staying after school so that we know whether the buses are needed that afternoon.** Preschool children are welcome with their parents.

Help with supervising is needed, please let us know if you are able to help.

**Also, if anyone has any halloween decorations so we can 'pimp' the hall they would be much appreciated.**

**BAG2SCHOOL** –Bags can be returned to school anytime during the week beginning 19 November.

**GRAFFITI CLASSIC** –Thank you to Sound Waves Southwest Music Charity for giving us the privilege of listening to some fantastic professional musicians. The children were completely engrossed in the music and it was an amazing experience.
