## **GOVERNORS MEETING 30 OCTOBER**

**Mr Norman Osborne** who has been the Chair of Governors for the last 12 years has decided that he wishes to step down from that role and, therefore, Miss Jo Marriott was elected by the governors as the new Chair. Norman will be staying on for the rest of this school year to support Jo in her role. We would all like to thank him for the enormous amount of support he has given to the school in his role as Chair, his time and commitment has been invaluable.

**Mrs Roberts** also announced that she is retiring at Easter. She has been at the school for the last 10 years and is a valued member of staff. The Governors will begin the process of making arrangements for her replacement over the next few months.

**Mrs Russell** will also be retiring at the end of the school year after 14 years of service. Again, the Governors are considering the process for appointment so that there is secure leadership in place for next September.

We understand that this means a significant amount of change for the beginning of the next school year. However, everyone is committed to ensuring that the children continue to have the best possible education and to make secure decisions to take the school forward into the future.

When you have staff who are of a similar age it is inevitable that they will decide that the time has come to retire at similar times!

**PARENT MEETINGS** – If your parent meeting is before 3.45pm then we are happy for the children to stay in school until you arrive. For meetings after this time the children will be sent home from school as usual. When parents are here they need to take charge of their children and be mindful that other parents wish to look at their children's books and wait without having children running around making a lot of noise. Thank you.

We encourage children to go into the parent meetings with their parents. PLEASE CAN WE REMIND YOU THAT if you haven't replied to your parent meeting appointment letter then we shall assume that you do not wish to take up the appointment and it may be allocated to someone else who needs to change theirs.
