**HATS & COATS** – Children need a hat and a waterproof coat in school every day regardless of the weather. The sun is strong and we have little shade and the children will go out at break, lunch and P.E. times in the rain. Thank you for your co-operation.

**WATER BOTTLES** – Please make sure that your child has a full water bottle each day, filled with water. We have noticed that some children continue to bring juice in their bottles and our policy is that they should only have water as grazing on juice during the day is very damaging to their teeth. Ideally we would encourage children to only have water at lunchtime too.
