CONGRATULATIONS – to the KS2 football team, Alfie, Andrew, Dylan, Dan, Kory, Liam and the Kierans. They won the local football tournament beating 9 other teams and not losing a match. Thank you to all of them for representing the school so successfully.

TICKS- We are very conscious that several children have either come to school with ticks or acquired them whilst in school. We know that there is a significant increase in tick populations and therefore there is nothing we can do about this. However, we wanted to let you know that we are being vigilant. If we see a tick on a child we will contact you to ask you to come and remove it or for your permission to remove it ourselves. Although ticks in themselves present no immediate issues they do carry Lyme disease which can be unpleasant and debilitating. www.lymediseaseaction.org.uk/about-ticks/ for more information.

KS2 TEACHER VACANCY – We were hoping that we would be able to inform you of the name of the new teacher to start in September. However, the candidates we shortlisted for interview have been appointed to positions in other schools. Unfortunately, demand for teachers is high and this situation is beyond our control. We have re-advertised the job with a wider scope and hope to be able to shortlist and appoint by the middle of June. We will keep you informed.

SPONSORED WALK – Please see in your children's' book bag for a letter and sponsor form. Thank you.

SPORTS DAY – We would like to do a Summer Fete to coincide with Sports Day with games and activities for the children. There will be a meeting on Wednesday 5 June to pull all the finishing touches together and your help and support would be appreciated. Initially donations of bottles for a 'Bottle Raffle' and small teddies for a 'Teddy Tombola' would be appreciated. Thank you for your support.
